There is still a need for signage through Bloxholm with regard to the sharp bend in the village and also an inspection of the bridge when entering the village. Cllr R Walker volunteered to look into the last bridge inspection date.
There has also been a request for action regarding speeding through Digby (RAF side on B1191). Cllr R Walker agreed to contact the RAF Station Commander via letter to voice the concerns about speeding vehicles through the area.
The Community Speed Watch (CSW) issue was also discussed the general consensus still being that none of the PC Councillors would want to put themselves up for speed monitoring. It was agreed that residents should be given the chance to volunteer for this if they wish the PC to join the CSW scheme. Chair L Reilly will put out a social media notice to this effect.
